

SUPPLEMENT 1. OTHER MANUFACTURERS PARTS

1. GENERAL

This supplement details all the approved equipment to be combined with Pasha Balloons envelopes. All the equipment is sorted by manufacturer and it is based on the approved data of them.

2. LIMITATIONS

No additional limitation is introduced for this equipment. Applicable Instructions for Continuing Airworthiness of part manufacturer are applicable on top of Pasha Balloons' ICA and the Mandatory Continued Airworthiness Instructions (ADs) as well.

3. EMERGENCY PROCEDURES

No change.

4. STANDARD PROCEDURES

No change.

5. LOADING

No change.

6. SYSTEMS DESCRIPTION

Refer specifically to the Maintenance manual and Flight Manual of the applicable manufacturer for each individual part.

7. BALLOON HANDLING, MAINTENANCE AND CARE

Refer specifically to the Maintenance manual. Operators will be required to apply all applicable ADs related to other manufacturers' equipment issued from the state of other Type Certificate Holders (TCH) if other manufacturers' equipments are fitted to pasha balloons envelope as per section 8 of this Supplement.
